

# Graduate Diploma - Awards and Programs Schedule

Schedule to the [Awards and Graduation Policy](#).

## Section 1 - Introduction

(1) As a higher education provider authorised to self-accredit, the University of Newcastle is responsible under the [Tertiary Education Quality and Standards Agency Act 2011 \(Cth\)](#) for ensuring that programs comply with the Provider Course Accreditation Standards. This Schedule provides the detailed principles and criteria that underpin the self-accreditation process for each Graduate Diploma award that may be delivered and conferred by the University of Newcastle.

(2) This Schedule supports the implementation of the [Awards and Graduation Policy](#). The Rules describe each type of qualification offered by the University and provide descriptions of authorisations for program management.

(3) Within the Schedule the general program principles and structures have been tabulated and the approved programs that are offered under it will be listed in [Graduate Diploma - Approved AQF Compliant Programs](#) covered by this Schedule. For the specific descriptions and requirements of an approved program, refer to the program handbook.

(4) In the event of an inconsistency between subordinate policy documents and any Rule(s) or Schedule to the Rule(s), the Rule(s) made by Council prevails to the extent of the inconsistency.

(5) In the event of an inconsistency between an Academic Senate policy document and a College policy, procedure or guideline, the policy document of Academic Senate prevails to the extent of the inconsistency.

(6) Extracts from [AQF \(Second Edition\)](#) have been included in this document with permission of the Australian Qualification Framework Council (27 February 2012).

## Section 2 - Transition Arrangements for Implementation of this Schedule

(7) This schedule supports the Academic Senate strategy of offering AQF-compliant programs as soon as possible. During the transition to the new schedule, the pre-2013 Awards and Programs Schedules will remain in the Policy Library with an annotation to indicate that their AQF-compliant status has not been confirmed. Between 2013-2015 current program offerings will be reviewed and, following the approval from the Program and Course Approval Committee, transferred to [Graduate Diploma - Approved AQF Compliant Programs](#) of this Schedule.

(8) The introduction of the new schedules is expected to result in recommendations from College Boards for new programs, major revisions and the transition arrangements and discontinuations of existing programs. These recommendations will be considered for approval by the Program and Course Approval Committee in accordance with the delegations held by that Committee.

(9) Through this transition process the Assistant Dean (Education) will be responsible to the Program and Course Approval Committee for ensuring that continuing students will not be disadvantaged by a program revision or discontinuation and:

- a. appropriate teach-out or alternative arrangements have been made for current students; and
- b. consideration is given to international applicants in accordance with the ESOS legislation.

(10) The Pro Vice-Chancellor Student Experience and Academic Registrar together with the Assistant Dean (Education) and the relevant Program Convenors will be responsible for ensuring that students and staff are notified of any relevant program changes. This notification may include recent graduates who may seek to upgrade their programs for AQF compliance.

(11) Programs offering admission to students in 2015 will need to operate under an AQF compliant schedule no later than June 2014 to ensure AQF compliance from 2015.

(12) Non-AQF compliant programs will be automatically discontinued by last meeting of Academic Senate in 2014 unless they have been approved for continuation.
