

Bachelor Degree (240) - Awards and Programs Schedule

Schedule to the [Awards and Graduation Policy](#)

Section 1 - Introduction

(1) As a higher education provider authorised to self-accredit, the University of Newcastle is responsible under the [Tertiary Education Quality and Standards Agency Act 2011 \(Cth\)](#) for ensuring that programs comply with the Provider Course Accreditation Standards. This Schedule provides the detailed principles and criteria that underpin the self-accreditation process for each Bachelor Degree (240) award that may be delivered and conferred by the University of Newcastle.

(2) This Schedule supports the implementation of the [Awards and Graduation Policy](#) and [Governance Rule](#). The [Governance Rule](#) describes each type of qualification offered by the University and provide descriptions of authorisations for program management.

(3) Within the Schedule the general program principles and structures have been tabulated and the approved programs that are offered under it will be listed in [Bachelor Degree \(240\) - Approved AQF Compliant Programs](#) covered by this Schedule. For the specific descriptions and requirements of an approved program, refer to the program handbook.

(4) In the event of an inconsistency between subordinate policy documents and any Rule(s) or Schedule to the Rule(s), the Rule(s) made by Council prevails to the extent of the inconsistency.

(5) In the event of an inconsistency between an Academic Senate policy document and a College policy, procedure or guideline, the policy document of Academic Senate prevails to the extent of the inconsistency.

(6) Extracts from [AQF \(Second Edition\)](#) have been included in this document with permission of the Australian Qualification Framework Council (27 February 2012).

Section 2 - Transition Arrangements for Implementation of This Schedule

(7) This schedule supports the Academic Senate strategy of offering AQF-compliant programs as soon as possible. During the transition to the new schedule, the pre-2013 Awards and Programs Schedules will remain in the [Policy Library](#) with an annotation to indicate that their AQF-compliant status has not been confirmed. Between 2013-2015 current program offerings will be reviewed and, following the approval from the Program and Course Approval Committee, transferred to [Bachelor Degree \(240\) - Approved AQF Compliant Programs](#) of this Schedule.

(8) The introduction of the new schedules is expected to result in recommendations from College Boards for new programs, major revisions and the transition arrangements and discontinuations of existing programs. These recommendations will be considered for approval by the Program and Course Approval Committee in accordance with the delegations held by that Committee.

(9) Through this transition process the Assistant Dean (Education) will be responsible to the Program and Course Approval Committee for ensuring that continuing students will not be disadvantaged by a program revision or discontinuation and:

- a. appropriate teach-out or alternative arrangements have been made for current students; and
- b. consideration is given to international applicants in accordance with the [ESOS](#) legislation.

(10) The Pro Vice-Chancellor Student Experience and Academic Registrar together with the Assistant Dean (Education) and the relevant Program Convenors will be responsible for ensuring that students and staff are notified of any relevant program changes. This notification may include recent graduates who may seek to upgrade their programs for AQF compliance.

(11) Programs offering admission to students in 2015 will need to operate under an AQF compliant schedule no later than June 2014 to ensure AQF compliance from 2015.

(12) Non-AQF compliant programs will be automatically discontinued by last meeting of Academic Senate in 2014 unless they have been approved for continuation.

Section 3 - Principles and Program Structures

Model: Bachelor Degree (240)

(13) This table describes an AQF level 7 program leading to the award of Bachelor Degree (240) under the [Governance Rule](#) Clause 48.

Volume of learning	The volume of learning required for a Bachelor Degree (240) is typically 240 units of study that will be completed in three (3) years of full-time study or equivalent.
Purpose	The Bachelor Degree qualifies individuals to apply a broad and coherent body of knowledge in a range of contexts to undertake professional work and as a pathway for further learning.
Maximum Time	Maximum time to complete a Level 7 Bachelor Degree (240) will be eight (8) calendar years from date of admission, calculated on the basis of (2N+2) (Note 1), inclusive of periods of leave, exclusion or academic suspension. Approved variations are included in Bachelor Degree (240) - Approved AQF Compliant Programs covered by this Schedule
Principles and Structure	<p>Graduates of this program will have completed 240 units of study that have been developed in accordance with the Undergraduate Coursework Program Principles and Structures Guideline including:</p> <ol style="list-style-type: none">i. the completion of a major of a minimum of 80 units, which consists of:<ol style="list-style-type: none">(a) at least 60 unique units of compulsory and/or directed courses with at least 40 units at the 3000 level or higher.ii. the completion of a minimum of 40 and no more than 100 units at the 1000 level;iii. the completion of at least 40 units at each level at the 2000 level and above in the program; andiv. at least 10 units of electives. <p>This structure will be varied only in response to particular articulation agreements or external requirements as approved by the Program and Course Approval Committee (PCAC).</p>
Admission and selection criteria	<p>The admission and selection criteria for each program will be determined by the College, and approved by Academic Senate in accordance with the criteria listed below:</p> <p>PART A – Admission Criteria and Pathways</p> <p>College admission and selection criteria should specifically address the alternative pathways into the Bachelor Degree (240) and maximise the credit that can be granted for formal and non-formal learning already undertaken. This may include pathways provided by approved nested programs and recognised prior learning.</p>

	<p>PART B – General Admission Criteria</p> <p>College admission and selection criteria must:</p> <ul style="list-style-type: none"> i) be appropriate for this AQF Level and its required learning outcomes; ii) take into account external benchmarks; iii) ensure that students have adequate prior knowledge and skills to complete the program successfully; iv) include special admission procedures to support access and equity targets; and v) establish English language entry requirements to ensure that students are sufficiently competent in the English language to participate effectively in the program and achieve the learning outcomes.
	<p>PART C – Additional Admission Criteria</p> <p>Additional College admission and selection criteria may include requirements for:</p> <ul style="list-style-type: none"> i) prior completion of an approved nested level 5 or level 6 qualification, (recognised under Pathways – nested or integrated qualifications, below); and/or ii) prior completion of such other work as prescribed by the College Board that may be recognised under Pathways – Recognition of Prior Learning (RPL), below; and/or iii) completion of interviews, auditions or portfolios; and/or iv) possession of other qualifications, or professional experience, or particular attributes that are required to ensure successful completion. <p>The minimum admission and selection criteria for each program are set by the College and approved by Academic Senate. This may include special admission procedures and selection criteria.</p>
Specialisation or major	<p>Bachelor Degrees (240) may offer a major that is a sequence of courses in a discipline that has been approved by the Program and Course Approval Committee. Where there is no specific major then the core courses can form a major. Each major:</p> <ul style="list-style-type: none"> i) must have at least 60 unique units of course; and ii) is a minimum of 80 units.
Additional Requirements	Any approved compulsory program components (CPC) or prerequisites approved by the Program and Course Approval Committee on the recommendation of the relevant College Board.
Graduate Learning Outcomes	<p>Graduate learning outcomes underpin the design of all academic programs offered by the University. Graduate learning outcomes will be developed for each program in accordance with Academic Senate policy and as prescribed by AQF including:</p> <ul style="list-style-type: none"> i) fundamental skills, such as literacy and numeracy appropriate to the Level 7 Bachelors Degree, including English language proficiency; ii) people skills, such as working with others and communication skills; iii) thinking skills, such as learning to learn, decision making and problem solving; and iv) personal skills such as self direction and acting with integrity.
i knowledge	Graduates of a Bachelor Degree will have a discipline specific broad and coherent body of knowledge, with depth in the underlying principles and concepts in one or more disciplines as a basis for independent lifelong learning.
ii skills	<p>Graduates of a Bachelor Degree will have discipline specific:</p> <ul style="list-style-type: none"> i) cognitive skills to review critically, analyse, consolidate and synthesise knowledge; ii) cognitive and technical skills to demonstrate a broad understanding of knowledge with depth in some areas; iii) cognitive and creative skills to exercise critical thinking and judgement in identifying and solving problems with intellectual independence; and iv) communication skills to present a clear, coherent and independent exposition of knowledge and ideas.
