Glossary Terms and Definitions

"Student" - A person formally enrolled in a course or active in a program offered by the University or affiliated entity.

"Exit award" - An academic qualification that is conferred when a student has met the program requirements of a linked program within the same field of study as listed in the relevant Awards and Programs Schedule.

"Program" - When referring to learning, a program is a sequence of approved learning, usually leading to an Award. For all other uses of this term, the generic definition applies.
