- a. act fairly and honestly;
- b. respect the freedom of other members of their University of enrolment and of the Joint Medical Program;
- c. act in an orderly and proper manner consistent with their University's Code of Conduct; and
- d. comply with the provisions of all University of enrolment and Joint Medical Program rules, policies, procedures and guidelines as well as other external legislation and codes, so far as failure to do so may affect the University of enrolment or the JMP.

Section 6 - Procedural Fairness

(10) In considering matters relating to the academic conduct of students and allegations of student academic misconduct, both Universities (UON and UNE) have a responsibility to ensure that principles of procedural fairness are observed.

(11) A student shall be presumed innocent unless and until guilt is freely admitted or is determined using the balance of probabilities as the standard of proof.

(12) The Universities of Newcastle and New England, through the SACO and all responsible officers, will ensure that:

- a. the student will have access to adequate information about the allegation of misconduct;
- b. the student will be given adequate notice of the process and timelines for dealing with the allegation of misconduct;
- c. the student will have an opportunity to be heard before a determination is made in relation to the allegation of misconduct;
- d. the process of inquiry and determination will be conducted without bias;
- e. a determination will be made only on the basis of facts and documentation relevant to the allegation of misconduct;
- f. the student will be notified of the outcome including sufficient reasons to explain the outcome; and
- g. the student will have a right of appeal in accordance with the provisions of this Rule.

(13) The principles of procedural fairness will be applied with due consideration for confidentiality and privacy concerns as well as the safety and wellbeing of the complainant and other participants in the process.

Section 7 - Confidentiality

(14) All student misconduct cases, and records relating to them, are maintained confidentially. Information will be made available to people directly involved in the matter and such people are expected to maintain confidentiality and comply with the [Privacy and Personal Information Protection Act 1998 \(NSW\)](#) (PPIPA) and with the Universities' (UON's and UNE's) privacy policies. Breaches may result in disciplinary action.

(15) With due consideration for the student's privacy, the University of Newcastle and/or the University of New England may disclose to a complainant and/or third party affected by the alleged academic misconduct information relating to the misconduct, the outcome of the misconduct process and any penalty imposed. The student will be informed of such disclosures.

(16) If the identity of the student is not disclosed, expressly or by implication, the University (UON or UNE) may disclose to the University communities or general public information relating to the misconduct, the outcome of the misconduct process and any penalty imposed.

(17) All University records, including those related to student misconduct, are not protected from external legal proceedings or legislative obligations. Material can be subpoenaed or accessed under the provisions of the [Government Information \(Public Access\) Act \(NSW\) 2009](#).

Section 8 - Reporting

(18) Action taken under this Rule does not preclude the University (UON or UNE) from:

- a. instituting civil or criminal proceedings against a student with respect to the misconduct; and/or
- b. reporting the matter to an external agency such as the Independent Commission Against Corruption (ICAC) in accordance with the Universities' reporting obligations.
- c. reporting the matter to the Medical Board of Australia.

(19) Each University (UON and UNE) will follow its own reporting policy regarding reporting of Student Misconduct cases (Refer to UON [Student Misconduct Rule](#) Clause 8.4; and to UNE records management system number SED07/948 Item 9.8).

Part C - Reporting Student Academic Misconduct

Section 9 - Initial Actions in cases of suspected Student Academic Misconduct

(20) If student academic misconduct is suspected, it is appropriate in most instances for the relevant Course Co-ordinator to be notified, and for the Course Co-ordinator to speak to the student, outlining his or her concerns, and seeking appropriate explanations or clarifications, prior to making any formal allegation. If in the view of the Course Co-ordinator, the student's conduct may constitute student academic misconduct, but the seriousness does not warrant referral under clause 21 of these Rules, the Course Co-ordinator will counsel and caution the student in writing.

(21) If, following the steps outlined in Clause 20, the Course Co-ordinator is of the view that there is a prima facie case of student academic misconduct, the Course Co-ordinator will notify the Student Academic Conduct Officer (SACO), University of Newcastle, in writing that there is an allegation requiring investigation.

(22) Notwithstanding Clause 20 above, a written notice of an allegation of student academic misconduct can be lodged to the SACO by students, staff, other members of the University communities or an external person with an association with either University (UON or UNE).

Section 10 - Allegations of Academic Misconduct

Actions taken by the SACO

(23) Allegations of academic misconduct against B Med JMP students will be referred to the UON School of Medicine and Public Health SACO to investigate the matter. The SACO will:

- a. advise the student in writing of the referral;

- b. issue the student with a Notice to Show Cause in relation to the allegation with advice that failure to respond within 10 days may result in confirmation of the allegation and imposition of a penalty;
- c. examine the material with reference to the B Med JMP Student Academic Integrity Module;
- d. use any electronic text-matching software or other methods of detecting dishonesty made available by the University (UON and/or UNE); and
- e. consider any evidence or representations deemed necessary to undertake an assessment of the matter.

(24) Following investigation, the SACO may:

- a. dismiss the allegation of academic misconduct; or
- b. initiate remedial action; or
- c. confirm the allegation of academic misconduct and impose a penalty in accordance with Part D of this Rule; or
- d. refer the allegation of academic misconduct to the Dean of Medicine with supporting material and a recommendation for a penalty to be imposed in accordance with Part D of this Rule; or

(29) The Deputy Vice-Chancellor or Pro Vice-Chancellor will inform the student in writing of the determination including reasons for the decision. The relevant officer (Deputy Vice-Chancellor or Pro Vice-Chancellor) will also inform other relevant staff within the University and ensure that appropriate University records are maintained as described in Section 12 of this Rule.

Part D - Penalties and Outcomes

Section 11 - Authorised Penalties

(30) If it is determined that the allegation of academic misconduct is sustained, either in full or in part, a penalty may be imposed according to the severity of the misconduct, previous misconduct by the student and any mitigating circumstances. The penalty may also take into account the fact that the student has admitted to the allegation. Conditions may be specified regarding the timing of the imposition of the penalty.

(31) To ensure that penalties are imposed as consistently as possible, the SACO, Dean, Deputy Vice-Chancellor and Pro Vice-Chancellor, will consider the penalty with respect to previous/concurrent student misconduct cases of a similar nature within the JMP, but will not be bound by precedent.

(32) The SACO has authority to impose the following penalties and if doing so will advise the Dean of Medicine - Joint Medical Program (JMP), Head of School (UON) and the Head of School (UNE) of the penalty applying:

 - ii. the Academic Registrar (UON) and the Director, Student Administration and Services (UNE) for the purposes of appropriately recording the misconduct on the student's academic record and/or amending the student's enrolment.

(39) The student should be advised that the investigation into the allegation of misconduct has been completed with summary details of the outcome in accordance with Section 7 of this Rule.

(40) Any determination by the SACO, Dean of Medicine - Joint Medical Program (JMP), Pro Vice-Chancellor and/or Deputy Vice-Chancellor will not take effect until the period for appeal has expired.

Part E - Appeals

Section 13 - Appeal Process

(41) An appeal against a determination in a student academic misconduct matter for a student of the JMP can be lodged by the student if there is:

- a. evidence of a breach of this Rule or general principles of procedural fairness; and/or
- b. the suggestion that the determination was affected by a conflict of interest or personal bias; and/or
- c. new information that could not reasonably have been provided prior to the hearing and it is probably that this information would have affected the determination.

(42) An appeal on the grounds of penalty alone will not be considered.

(43) An appeal against a determination made by the SACO or the Dean of Medicine - Joint Medical Program (JMP) may be made in writing to the Pro Vice-Chancellor or Deputy Vice-Chancellor within 20 days of notice of the determination (date of email notification sent to the student's email address) and the grounds for appeal must be clearly set out.

(44) If a case has been referred by the SACO or the Dean of Medicine - Joint Medical Program (JMP) to the Pro Vice-Chancellor or Deputy Vice-Chancellor for determination, an appeal against the determination may be made in writing within 20 days of notice of the determination, and in accordance with each institution's own Misconduct Rule (at UON [Student Misconduct Rule](#) – Document 000935; at UNE, Student coursework Plagiarism and Academic Misconduct Rules – SED07/948).

(45) Upon receipt of the appeal the relevant officer (Deputy Vice-Chancellor or Pro Vice-Chancellor) shall undertake a preliminary review to determine the validity of the appeal. (46) According to the circumstances of the allegation of misconduct, the relevant officer (Deputy Vice-Chancellor or Pro Vice-Chancellor) has discretion to determine whether or not a suspension will be imposed, with or without conditions, during the appeal process. If, at the conclusion of the appeal process, the suspension was considered unwarranted, the student may apply for consideration of special circumstances in relation to their studies.

(47) The appeal determination (made by the relevant officer (Deputy Vice-Chancellor, Pro Vice-Chancellor or Student Misconduct Appeal Committee (UON) or the Student Conduct Appeals Committee (UNE)) is final and there is no further avenue of appeal. However, the student and/or complainant do have the right to lodge a case for consideration by the University (UNE) Ombudsman or the NSW Ombudsman. Students and/or complainants wishing to do this should contact the Complaints Office (UON) or the Service Quality Unit (UNE) for assistance.

(48) In making a determination in relation to the appeal, the original determination may be confirmed, varied or set aside. In varying the penalty, any one or more of the actions listed in Part D of this Rule may be considered.

(49) The student will be informed in writing of the appeal determination outlining reasons for the decision.

(50) Relevant staff within the University will be informed of the appeal determination and appropriate University records will be maintained.

(57) The Vice-Chancellor or Deputy Vice-Chancellor or Pro Vice-Chancellor may determine that a student cannot re-enrol at the University of Newcastle OR the University of New England, access examination results and/or return from suspension until after an allegation of academic misconduct has been dealt with in accordance with this Rule, the period of appeal has expired and/or the imposed penalty (including conditions) has been served.

Section 17 - Improper Process

(58) Any person with concerns regarding the proper implementation of this Rule in relation to a specific misconduct matter may advise the Vice-Chancellor of UON or of UNE in writing. The Vice-Chancellor may take any action they consider to be appropriate to address the concern.

Section 18 - Transitional Provisions

(59) Any proceedings for academic or general misconduct that have commenced but not completed before the commencement of this Rule must be completed as if the previous versions of these Rules had not been replaced.

(60) Any allegation of academic misconduct which was alleged to have occurred prior to the date of commencement of this Rule must be dealt with under the previous version of this Rule unless the student and Deputy Vice-Chancellor and Pro Vice-Chancellor agree in writing to deal with the matter under this Rule.
