

# Enrolment Manual

## Section 1 - About This Manual

### Foreword

(1) This Manual supports the [Governance Rule](#) and Schedule 2 – Delegation of Academic Matters. In the event of an inconsistency between lower level policy documents and a Rule or Schedule to a Rule, the Rule made by Council prevails to the extent of the inconsistency.

(2) For information on admission to a program, please refer to the [Admissions Manual – Coursework and Enabling Programs](#).

### Purpose

(3) This Manual is designed to provide clear and concise information for staff and students of the University regarding enrolment, study loads, leave of absence and fees.

### Scope

(4) This Manual applies to all students enrolling in courses as part of an enabling, undergraduate or postgraduate coursework program at the University, including students who enrol through a partner institution.

(5) This Manual does not apply to students enrolling in Higher Degree by Research programs. Please refer to the [Higher Degree by Research Policy](#) and [Procedure](#).

(6) This Manual applies to students enrolling in the Joint Medical Program (JMP). In the event of an inconsistency between this Manual and the policies and procedures specific to the JMP, the policies and procedures of the JMP prevail to the extent of the inconsistency.

(11) The University's primary method of communication with students is via email to their University email account. Students are responsible for ensuring they regularly monitor their University email for important information regarding their enrolment.

## Section 3 - Enrolment Policy

## Part A - Eligibility to Enrol

(12) To be eligible to enrol, students must:

(13) All students are required to complete compulsory learning modules within their first term of study. Students who fail to do so will be ineligible to enrol in subsequent terms until the outstanding modules have been completed.

### Student Information

(14) Commencing students must provide necessary personal information prior to enrolment in their first term of study. This may include, but is not limited to, the student's legal name, date of birth, contact details, citizenship or residency status, emergency contact information, and any other information required under Commonwealth or State legislation or University policy.

(15) Continuing students must confirm the accuracy of their personal information and provide any necessary updates prior to enrolment in each subsequent term of study.

(16) International students must provide both their overseas and Australian residential address and contact details, and must update these details within seven calendar days of any change.

(17) All students studying in Australia (including students studying online while residing in Australia) must provide their Unique Student Identifier (USI) to the University prior to the census date in their first term of enrolment. For more information, see [Unique Student Identifier](#) website.

(18) Personal information will be handled in accordance with the [Privacy Policy](#), [Privacy Management Plan](#) and [Records Governance Policy](#).

### Indebted Students

(19) Students will not be permitted to enrol if they have an outstanding debt to the University. This includes, but is not limited to, where the student has failed to:

- a. pay tuition fees, Student Services and Amenities Fee (SSAF) or University accommodation charges by the relevant due date;
- b. pay any other University-imposed fee or charge where the terms and conditions specify that non-payment may result in enrolment restrictions; or
- c. meet the agreed repayment schedule for any loan or financial assistance provided by the University.

(20) Students who are indebted will not be permitted to enrol until all outstanding debts are resolved or an authorised delegate approves the discharge of the debt.

## Extraneous Enrolment

(21) Students are not permitted to enrol in courses that will not contribute to the requirements of their program and award. Enrolment in such courses may be undertaken as non-award study on a full fee-paying basis.

(22) A student who has passed a course is not permitted to re-enrol in that course within the same program, unless otherwise specified in their program requirements.

(23) Where a student has contravened clause 22 and subsequently enrolls in a successfully completed course in the same program, the second enrolment in the course will be removed by the University and any associated fees will be refunded.

(24) A student who wishes to re-enrol in a course that they have already successfully completed may do so:

- a. in a different program of study, after having been admitted via the University's prescribed admission process;  
or
- b. as non-award study.

## Part B - Additional Requirements for Student Visa Holders

(25) International students intending to study in Australia on a student visa will be issued with an electronic Confirmation of Enrolment (CoE) upon acceptance of an offer of admission and payment of a deposit.

(26) Student visa holders must maintain a current and valid CoE for the duration of their studies in Australia.

(27) A student visa holder whose CoE is due to expire prior to completion of their program may submit a request for a CoE extension to cover the remainder of their study. CoE extension requests will only be approved where the additional duration is required due to:

- a. an approved deferral (see [Admissions Manual – Coursework and Enabling Programs](#));
- b. an approved leave of absence;
- c. an approved reduced study load;
- d. any University-imposed intervention strategy implemented in accordance with the [Student Academic Progress Procedure](#); or
- e. compassionate or compelling circumstances (see definition in Clause 7).

## Study Load Requirements

(28) Student visa holders must maintain a maximum full-time study load in each compulsory term of study for their program (see Part E – Study Loads), unless they are:

- a. in their final term of study and have insufficient courses remaining to reach a full-time load; or
- b. on an approved leave of absence (see Part F – Leave of Absence).

(29) In compassionate or compelling circumstances, student visa holders may request approval to study a reduced study load – see Part J – Variation to Study Loads.

(30) Student visa holders may be placed on a reduced study load in accordance with the [Student Academic Progress Procedure](#).

(31) Student visa holders who fail to enrol by the census date of a compulsory term of study, without an approved

leave of absence, will be administratively withdrawn in accordance with Part H – Cessation of Enrolment: Failure to Maintain Enrolment.

## Limitations on Online Study

(32) Student visa holders must be enrolled in at least one on-campus course in each compulsory term of study, unless they are completing the last course required for their program.

(33) Student visa holders are not permitted to enrol in more than one-third of the total courses required for their program online.

(34) The University reserves the right to amend the enrolment of student visa holders who are not compliant with the requirements of clauses 32 and 33.

## Welfare and Accommodation Arrangements

(35) International applicants who are under 18 years of age must satisfy the relevant Commonwealth government department requirements that suitable welfare and accommodation arrangements have been made for them.

(36) The University will provide welfare and accommodation arrangements for international students under the age of 18 years and who are unable to independently satisfy the Commonwealth government's welfare and accommodation requirements, subject to the following conditions:

- a. the student must live in a University approved Homestay and their parents must enter into a contractual agreement with a University approved guardian. Under these circumstances the University will accept responsibility for the student's welfare and complete the Confirmation of Appropriate Accommodation and Welfare (CAAW) form;
- b. the duration of the University's responsibility for welfare and accommodation arrangements will routinely commence one week prior to the Confirmation of Enrolment (CoE) start date and will cease when the:
  - i. student turns 18 years of age;
  - ii. student leaves the country; or
  - iii. University no longer approves the welfare arrangements.

(37) If a student wishes to transfer to another provider prior to reaching the age of 18, the University will negotiate a suitable date to terminate its responsibilities for welfare and accommodation arrangements to the student.

## Part C - Enrolment Timelines

### Census Dates

(38) The census dates for Semester and Trimester terms, including Singapore Semester and Trimester terms, is the Friday of week four.

(39) The census date for Midyear Session is the Friday of week three.

(40) The census dates for non-standard terms may vary depending on the length of the term. The census date will be determined as part of the approval of the Academic Calendar (see [Academic Calendar Approval Procedure](#)) and will be published from the commencement of the enrolment period for the relevant terms.

### Late Enrolment

(41) A student cannot self-enrol in a course after the end of the second week of a standard term. The deadline for self-enrolment in a non-standard term will be determined as part of the approval of the Academic Calendar and will be

published from the commencement of the enrolment period for the relevant terms.

(42) The relevant Course Co-ordinator may, upon receipt of an application from the student, approve the student's enrolment in the course after the end of the second week of the term, but before the census date of that term. Any outstanding fees and charges must be paid before the enrolment will be processed.

(43) To ensure students are not academically disadvantaged, where late enrolment is approved per clause 42:

- a. the Course Co-ordinator must ensure the student has access to all relevant teaching materials made available prior to the student's enrolment;
- b. the Course Co-ordinator may be required to repeat learning activities that are not able to be delivered to the student in an appropriate alternative format, particularly where activities relate to a compulsory WHS or placement requirement (refer to Part D of the [Course Design and Management Manual](#)); and
- c. the student should be exempted from any compulsory attendance requirements for activities that took place prior to their enrolment in the course, unless those activities are repeated in accordance with clause 43 (b).

## Withdrawal from a Course

(44) A student who withdraws from a course prior to the census date for the course will not incur financial liability and will not receive a grade for the course.

(45) A student who withdraws from a course after the census date for the term, but before the final day of term, will:

- a. incur financial liability for the course (subject to clause 47);
- b. receive a Withdrawn (W) grade; and
- c. have the withdrawal considered towards their academic progress status, in accordance with the [Student Academic Progress Procedure](#).

(46) A student cannot withdraw from a course after the final day of the term in which the course is offered.

(47) A student who withdraws from a course after the census date of the relevant term for compassionate or compelling reasons may be eligible to seek a remission of fees or refund of upfront payment. Refer to the [Student Fees Refund Procedure](#) and [International Student Fees Refund Procedure](#).

(48) Where completion of a course requires the student to participate in a placement, the final date for withdrawal from the course without academic penalty will be clearly specified in the Course Outline.

(49) Withdrawals from a placement course (after census date) without Head of School or Deputy Head of School permission will incur an academic penalty.

## Part D - Fees

(50) For each term of study in which they are enrolled, students will be charged the following fees:

- a. the student contribution amount for each course in which they are enrolled in a Commonwealth Supported Place (CSP);
- b. the tuition fees for each of the courses in which they are enrolled as a fee-paying student; and
- c. the Student Services and Amenities Fee (SSAF).

(51) Tuition fees are set based on the academic subject area applicable to a courses, and:

- a. are determined by the University in accordance with relevant legislation, including the [Higher Education](#)

[Support Act 2003](#), the [ESOS Act](#), and the [Higher Education Standards Framework \(Threshold Standards\) 2021](#);

- b. may vary between undergraduate and postgraduate courses, and for domestic and international students; and
- c. for students studying in a Commonwealth Supported Place (CSP), will be the student contribution amount (refer to [Study Assist](#) for more information).

(52) Where a student undertakes a postgraduate course as part of an undergraduate program, the usual undergraduate tuition fee for the academic subject area will apply.

(53) The Student Services and Amenities Fee (SSAF) is determined by the Commonwealth Government, and will be charged at a pro-rata amount for students who are enrolled in less than the maximum full-time study load (1.0 EFTSL – see Part E – Study Loads).

(54) Students must pay their fees or student contribution prior to the relevant census/due date for the relevant term, unless they are a domestic student who is eligible to defer their fees via a relevant Higher Education Loan Program (HELP) loan (see clauses 58-60).

(55) Failure to pay or arrange for the deferral of tuition fees or student contribution prior to the census date for the relevant term may result in the cancellation of a student's enrolment.

(56) Failure to pay or arrange for the deferral of the Student Services and Amenities Fee (SSAF) by the due date may result in a student being unable to access results or official documentation relating to their study.

(57) Details of delegates who are authorised to defer, waive, reduce, or refund fees and charges, and the conditions and limitations of these authorities, are outlined in the University's [Delegation of Authority Schedules](#).

## **Deferral of Fees**

(58) Eligible domestic students seeking to defer their fees via a Higher Education Loan Program (HELP) loan must complete the relevant electronic Commonwealth Assistance Form (eCAF) and provide their Australian tax file number (TFN) prior to the census date in their first term of study.

(59) Domestic students who have completed an eCAF to defer their fees via a HELP loan may instead choose to pay their fees upfront (in full or in part) for a given term, by making a payment towards their fees directly to the University prior to the census date for the relevant term. In such cases:

- a. if the student pays their fees in full, no fees will be deferred via their HELP loan for that term; or
- b. if the student pays their fees in part, the amount outstanding after the census date for the term will be deferred via their HELP loan.

(60) Domestic students should refer to the Commonwealth Government's [Study Assist](#) website for information on the eligibility requirements for HELP loans.

## **Part E - Study Loads**

### **Full-Time Study Loads**

(61) A standard full-time study load is 80 units (1.0 EFTSL) per academic year.

(62) Domestic students will be considered full-time if they undertake at least 75% of a standard full-time study load, i.e. 60 units (0.75 EFTSL) per academic year.

(63) While a student's enrolment in a single term may be assessed as full-time (see Table 1 – Full-Time Study Loads by Term), study load can also be assessed based on total units enrolled in across the year. This means that a student

with a part-time load in individual terms may still meet the full-time threshold across each year.

(64) Government departments or authorities may specify different definitions for full-time study. Students are responsible for ensuring their enrolment is compliant with these external definitions where applicable to them.

**Table 1 - Full Time Study Loads by Term**

Term Type	Standard Full-Time Study Load	Minimum Full-Time Study Load (Domestic)
Semesters - including Singapore Semesters and JMP Semesters	40 units	30 units
Trimesters	30 units	20 units
Singapore Trimesters	40 units	30 units
Midyear Session	20 units	10 units

Note: The Program and Course Approval Committee (PCAC) may approve a recommended enrolment pattern for full-time study in a specific program which exceeds the study loads in Table 1. However, students enrolled in such programs will still be considered full-time as long as they meet the study loads in Table 1.

(65) With the exception of student visa holders, students may choose to enrol on a part-time basis if their program permits it. Students who enrol on a part-time basis are responsible for:

- a. seeking advice on course enrolment and program progression; and
- b. ensuring they complete their program within the maximum time for completion (see [Maximum Time Completion of Programs Schedule](#)).

### Exceeding Full-Time Study loads

(66) Students in their first term of study at the University are not permitted to exceed the full-time study load for that term.

(67) Students in their second or subsequent term of study at the University may be permitted to exceed the full-time study load for a term in accordance with Table 2 - Exceeding Maximum Study Loads. Students may not exceed maximum study loads beyond the loads specified in Table 2.

**Table 2 - Exceeding Full-Time Study Loads**

Term Type	Study load requested by student	Conditions / Approval Requirement
Semesters and Singapore Trimesters	50 units	Permitted without need for approval where the student: a. has successfully completed 40 units in the previous Semester; or b. is required to enrol in 50 units per the full-time enrolment pattern for their program.  Approval by the relevant Program Convenor will be required in all other cases.
	60 units	Approval by the relevant Program Convenor is required in all cases.

Term Type	Study load requested by student	Conditions / Approval Requirement
<b>Trimesters (excluding Singapore Trimester)</b>	40 units	Permitted without need for approval where the student: a. has successfully completed 30 units in the previous Trimester; or b. is required to enrol in 40 units per the recommended enrolment pattern. Approval by the relevant Program Convenor will be required in all other cases.
	50 units	Approval by the relevant Program Convenor is required in all cases.
<b>Simultaneous Semester and Trimester study</b>	50 or 60 units	Approval by the relevant Program Convenor is required in all cases.
<b>Midyear Session</b>	More than 20 units	Permitted without need for approval where the student is enrolling in a single course with a unit value greater than 20 units. Not permitted in any other circumstances.

Note: The Associate Dean (Education) may approve the requested study load in the absence of the Program Convenor.

## Part F - Leave of Absence

(68) A leave of absence allows a continuing student to take temporary leave from their studies without withdrawing from their program.

(69) Where the University places a student on enforced leave or suspension from their program of study, the enforced leave or suspension will override any voluntary leave of absence.

(70) The maximum duration for a leave of absence is two years. Students wishing to take leave from their studies for more than two years must withdraw from their program and reapply to the University when they are ready to recommence studies.

(71) Students who do not re-enrol following a leave of absence may be administratively withdrawn from their program by the University, in accordance with Part H of this Manual.

(72) If a student's program is revised, discontinued, or ceases to be accredited while the student is on a leave of absence, the University will make every attempt to provide the student with the opportunity to complete the original program. Where this is not possible, the University reserves the right to offer the student a place in an equivalent or near-equivalent program.

### Eligibility for Leave of Absence

(73) Students will be eligible for a leave of absence (subject to approval as specified in Part K) where:

- a. they have completed a minimum of 10 units of study; or
- b. they have withdrawn after the census date of their first term of study, but prior to completion of 10 units of study; and
- c. taking a leave of absence will not impact on the student's ability to complete their studies, which includes being able to complete their program within the maximum time.

### Additional Eligibility Requirements for Student Visa Holders

(74) In addition to the eligibility criteria listed in clause 78, applications for leave of absence made by student visa holders will only be approved where the student has demonstrated compassionate or compelling circumstances (see definition in clause 7), and where the leave is deemed to be in the student's best interest.

(75) Compelling circumstances will include where a College Progress and Appeals Committee has requested a student to take a leave of absence, in accordance with the [Student Academic Progress Procedure](#). In such cases, the requirement to take a leave of absence must include other strategies throughout the leave of absence period if the student does not return home.

## **Appealing Leave of Absence Decisions**

(76) Students may appeal the outcome of their application for a leave of absence.

(77) An appeal must be lodged within five working days of notice of the outcome, and must be made in accordance with the [Academic Appeals Policy](#).

(78) An appeal on the basis of the decision alone will not be considered.

## **Part G - Concurrent Enrolment**

(79) Concurrent enrolment refers to simultaneous admission to and enrolment in two separate programs which a student would otherwise need to study consecutively. This differs from undertaking a combined program, which incorporates two component programs into a single program structure (see [Program Design and Management Manual](#)).

### **Eligibility for concurrent enrolment**

(80) A student may apply for concurrent enrolment where:

- a. they have successfully completed 50% of their current program with at least 25% of the completed units undertaken within their current program at the University of Newcastle; or
- b. the application is to enrol in two Graduate Certificate programs where each Graduate Certificate is only offered on a part-time basis.

(81) Students applying for concurrent enrolment in the following programs are exempt from the eligibility requirements listed in clause 81:

- a. Diploma in Languages;
- b. Bachelor of Applied Data Science.

(82) Students seeking to undertake concurrent enrolment must also meet the admission requirements for the second program.

(83) Students enrolled in an existing combined program are ineligible to apply for concurrent enrolment.

(84) Concurrent enrolment for student visa holders cannot be guaranteed. Student visa holders may apply for concurrent enrolment provided that:

- a. concurrent enrolment is permitted under the conditions of the student's visa; and
- b. the student will be able to complete their studies within the specified duration of their visa.

### **Compatibility of Programs**

(85) Concurrent enrolment will only be approved where the two programs to be studied are deemed compatible by the relevant College(s).

(86) Compatible programs are programs that do not:

- a. share a significant overlap (see clause 88);
- b. have majors or specialisations in common – students may be permitted to concurrently enrol but must complete a distinct major within each program; or
- c. already exist as a combined program – students should seek to transfer to the combined program, rather than undertaking concurrent enrolment.

(87) Where there is significant overlap in the content of the programs, such that there would be insufficient unique units to justify the conferral of both Awards, concurrent enrolment will not be approved. See Minimum Requirements for Completion below.

(88) Programs may be designed to be available through concurrent enrolment only. This must be specified as part of the new program proposal submitted to the Program and Course Approval Committee (PCAC), in accordance with the [Program Design and Management Manual](#). The proposal may also identify incompatible programs, the students of which will not be permitted to undertake the proposed program.

## Minimum Requirements for Completion

(89) To be conferred both Awards following approval of concurrent enrolment, a student must:

- a. complete the minimum requirements for each individual program; and
- b. satisfy the minimum volume of learning requirements for completion of concurrent enrolment. The minimum volume of learning requirements are outlined in Table 3 – Minimum Volume of Learning Required for Completion.

**Table 3 - Minimum Volume of Learning Required for Completion**

Unit value - Program 1	Unit value - Program 2	Minimum volume of learning
40	40	60
40	80	100
80	80	120
80	120	160
120	120	180
240	240	320
240	320	400
320	320	400

(90) The Academic Registrar may set minimum volume of learning requirements other than those listed in Table 3, on a case-by-case basis:

- a. to ensure that the appropriate learning outcomes are met for an individual student; and/or
- b. where the programs requested for concurrent enrolment are not covered by Table 3.

## Part H - Cessation of Enrolment

### Failure to Maintain Enrolment

(91) Students who fail to maintain enrolment in their program, without an approved leave of absence, will be

administratively withdrawn from their program by the University:

- a. for student visa holders, after the census date of their first compulsory term without enrolment; and
- b. for all other students, in accordance with the timelines outlined in Table 4 – Timelines for Administrative Withdrawal.

(92) Students who have not yet met the requirements to graduate, but who have no further courses to enrol in for their program, will be administratively withdrawn from their program in accordance with the timelines in Table 4.

(93) In compassionate or compelling circumstances, a student who has been administratively withdrawn from their program may apply to the Academic Registrar to have the withdrawal lifted to allow them to continue studying.

**Table 4 - Timelines for Administrative Withdrawal due to Non-Enrolment**

<b>Program</b>	<b>Students will be administratively withdrawn after the census date of their:</b>
Enabling programs	Third consecutive compulsory term without enrolment.
Bachelor of Medical Science and Doctor of Medicine	First consecutive compulsory term without enrolment.
Bachelor of Midwifery	First consecutive compulsory term without enrolment.
Undergraduate programs within the College of Health, Medicine and Wellbeing	Second consecutive compulsory term without enrolment.
All undergraduate end-on Honours programs	First consecutive compulsory term without enrolment.
Master of Clinical Psychology	First consecutive compulsory term without enrolment.
All programs in teach out ( <a href="#">listed here</a> )	Second consecutive compulsory term without enrolment for Semester-based programs. Third consecutive compulsory term without enrolment for Trimester-based programs.
All other active programs	Third consecutive compulsory term without enrolment for Semester-based programs. Fourth consecutive compulsory term without enrolment for Trimester-based programs.

## Termination of Enrolment - Student Visa Holders

(94) Student visa holders who have their enrolment or admission withdrawn or suspended for any reason (including due to a voluntary leave of absence) will be reported to the relevant Commonwealth government departments in accordance with the [Education Services for Overseas Students Act 2000](#) and the [National Code of Practice for Providers of Education and Training to Overseas Students 2018](#).

(95) If an onshore international student under the age of 18 has their enrolment or admission withdrawn or suspended for any reason (including due to a voluntary leave of absence), the University will maintain the student's welfare arrangements until the student departs Australia, or other welfare arrangements are in place.

# Section 4 - Enrolment Procedures

## Part I - Course Enrolment

## Adding a Course

(96) Students may add courses to their enrolment via the online course enrolment system at any time during the official enrolment period as published in the Academic Calendar.

## Late Enrolment Before the Census Date

(97) Following the conclusion of the enrolment period (see Part C – Enrolment Timelines), students seeking to enrol in a course must submit:

- a. an [Application for Late Enrolment](#), for undergraduate or postgraduate students; or
- b. an [Enabling Pathways Application for Late Enrolment](#), for enabling students.

(98) Approval for late enrolment must be obtained from the relevant Course Co-ordinator prior to the census date of the relevant term.

## Withdrawal

(99) Students seeking to withdraw from a course must amend their enrolment via the online course enrolment system in accordance with the timeframes for withdrawal outlined in Part C – Enrolment Timelines.

(100) Student visa holders must consult International Student Support prior to withdrawing from any course, as changes to their enrolment may affect their visa.

(101) Students studying a program in teach out ([listed here](#)) must consult relevant teach-out arrangement and/or Program Advice prior to withdrawing from any courses, to ensure they will be able to meet the requirements of their program within the teach-out window.

(102) Students seeking to withdraw from a course that requires participation in a placement, after commencement of the placement, must seek permission from the Head of School or Deputy Head of School.

## Part J - Variation to Study Loads

### Exceeding Full-Time Study Load

(103) Students who are required to enrol above the full-time study load per the full-time enrolment pattern for their program can enrol themselves via the online course enrolment system.

(104) Students who have successfully completed a full-time study load in the previous compulsory term can enrol in 50 units in a Semester or 40 units in a Trimester by emailing [enrolments@newcastle.edu.au](mailto:enrolments@newcastle.edu.au), specifying the additional course to be added.

(105) Students who have completed less than a full-time study load, or who failed or withdrew from courses in the previous compulsory term, and students seeking to enrol in 60 units in a Semester or 50 units in a Trimester, must submit the relevant form:

- a. [Enrolling in More than 40 Units in a Semester Form](#);
- b. [Enrolling in More than 30 Units in a Trimester Form](#);

(106) Applications should be submitted prior to the commencement of the relevant term. Late enrolment procedures will apply to applications received after the end of the enrolment period for the relevant term.

(107) Applications will be considered by the Program Convenor, or the Associate Dean (Education) in the absence of

the Program Convenor, and students will be advised of the outcome of their application via email.

## Applying for Reduced Study Load

(108) Student visa holders seeking a reduced study load due to compelling or compassionate circumstances must submit a [Study Variation Request](#) with supporting documentation that demonstrates compassionate or compelling circumstances.

(109) Requests must be submitted prior to the census date of the relevant term.

(110) Applications will be considered by International Student Support and an outcome will be provided within 10 working days of receipt of the request.

(111) International students must remain enrolled in the maximum full-time study load until the outcome of their application is received.

## Part K - Applying for Leave of Absence

### Domestic and Off-Shore Students

(112) Domestic and off-shore students seeking a leave of absence must apply in accordance with Table 5 – Application Procedures for Leave of Absence by Program.

**Table 5 - Application Procedures for Leave of Absence by Program for Domestic and Offshore Students**
