

# Student Fees Refund Procedure

## Section 1 - Introduction

(1) This procedure outlines the circumstances and eligibility criteria for refund of student fees.

## Section 2 - Scope

(2) This procedure applies to the refund of the following fees:

- a. Commonwealth Supported Place (CSP) 'student contribution';
- b. Student Services and Amenities Fee (SSAF);
- c. International student Tuition Fees;
- d. Domestic Postgraduate Student Fees; and
- e. Non-Award Student Tuition Fee.

## Section 3 - Commonwealth Supported Place (CSP) 'Student Contribution'

(3) Postgraduate and undergraduate Commonwealth Supported Place students (CSP students) who have paid their 'student contribution' up-front are entitled to a refund for a course or program if they withdraw from the course or program before the census date in a term.

(4) Generally, CSP students who withdraw from a course or program after the census date are not entitled to a refund. However, in special circumstances CSP students may apply to the University for a refund of all or some of their student contribution. Applications must include supporting documentation. Refer to the [Refunds and Remission of Debt](#) website.

## Section 4 - Student Services and Amenities Fee (SSAF)

### CSP Students

(5) Commonwealth Supported Place (CSP) students can either:

- a. defer their Student Services and Amenities Fee (SSAF) through SA-HELP, as they can their CSP fees; or
- b. pay their SSAF upfront to the University of Newcastle (University).

(6) The University cannot refund SA-HELP debts incurred by students under any circumstances. Students who elect to defer their SSAF debt through SA-HELP will remain liable for the SSAF debt, even if their tuition fees are refunded or their HECS-HELP or FEE-HELP loans are reduced following withdrawal from a course or program.

(7) Accordingly, clauses 5, 6, 8 and 9, do not apply to CSP students who defer their SSAF through SA-HELP.

### **Full refund**

(8) The University will fully refund the SSAF to students who, before the census date for their program:

- a. voluntarily withdraw from their program;
- b. take program leave from a term of study; or
- c. withdraw from all their courses in a term of study.

### **Partial refund**

(9) The University will partially refund the SSAF to students who, before the census date for their programs, reduce their academic load from full time to part time. The refund will be on a pro-rata basis.

### **No Refund**

(10) The University will not refund the SSAF to students who, after the census date for their programs:

- a. voluntarily withdraw from their program; or
- b. withdraw from all their courses in a session of study. In these circumstances, the student will remain liable for the SSAF for the relevant period of study.

### **Refund in case of administrative error**

(11) The University will accept liability for any SSAF liability incurred by a student due to an administrative error by the University. If the student paid the SSAF upfront, the University will refund to the student the amount of the SSAF for which the University is liable.

## **Section 5 - Deposits for Student Tuition Fees paid by International Students**

(12) In certain circumstances international students may be entitled to a full or partial refund of any deposit paid towards their tuition fees. Please refer to the Refund Procedure for International Students.

## **Section 6 - Domestic Postgraduate Student Tuition Fees**

### **Liability for Fees**

(13) Any student who is permitted by the Deputy Vice-Chancellor (Academic) to enrol after the census date shall be liable for the full fees due in that term.

(14) Failure to pay the fees due by the census date will result in cancellation of enrolment for the term.

### **Refund**

(15) The University will refund tuition fees to students who withdraw in writing from a course prior to the census date. The University shall deem the student not to have been enrolled in the course.

## **No Refund**

(16) Other than in exceptional circumstances, the University will not refund tuition fees for a course if the student withdraws from the course after the census date (regardless of whether the student is permitted to withdraw after the census date).

(17) Applications for exceptional circumstance refunds must be made in writing to the Associate Director, Student and Academic Administration within 12 months of the formal notification of withdrawal and include supporting documentation. Refunds may be granted in exceptional circumstances with approval of the Academic Division General Manager and Academic Registrar.

# **Section 7 - Non-Award Student Tuition Fees**

## **Refund**

(18) The University will refund tuition fees to students for non-award courses if they withdraw from the course before the census date for the term.

## **No refund**

(19) The University will not refund tuition fees to students for non-award courses if they withdraw from the course after the census date for the term.
