(8) Credit for formal learning may be granted for:

- a. studies undertaken at an appropriate level within an AQF program, or a program assessed to be equivalent to an AQF program; or
  - b. a set of stacked micro-credentials.
- (9) Prior formal learning must demonstrate comparable or equivalent:
- a. learning outcomes;
  - b. volume of learning;
  - c. content; and
  - d. learning and assessment approaches.
- (10) Where undertaken at an appropriate academic level, credit may be granted for formal learning completed at:
- a. Australian higher education institutions;

  - c. registered Australian private providers of accredited tertiary education courses; and
  - d. registered Australian Education and Training providers.

## **Eligibility for Credit**

- a. courses with the following results:
    - i. terminating pass (or equivalent); or
    - ii. conceded pass (or equivalent); or
    - iii. incomplete, special circumstances or withdrawn without academic penalty (or equivalent); or

- (13) Multiple previous courses may be assessed in combination to determine if the learning outcomes for the course for which credit is sought have been met.
- (14) Credit for formal learning may be granted for identical courses undertaken at the University that:
- a. count towards the target program, including any identified equivalent courses that form part of a Program and Course Approval Committee (PCAC) approved transition arrangement for the program;
  - b. do not exceed any limitations as set out in the [Program-Based Credit Limits and Currency](#).
- (15) Credit for completed undergraduate courses will not be granted for postgraduate programs, except where:

- a. the undergraduate course(s) are explicitly included in the postgraduate program;
- b. a University of Newcastle undergraduate course is co-badged with a postgraduate course, in which case credit will be granted towards the postgraduate course; or
- c. the undergraduate qualification is included as an admission pathway that provides a reduction in the volume of learning required for the postgraduate program.

## Section 3 - Cross-Institutional Credit

### Eligibility

(16) Undergraduate and postgraduate students who have successfully completed a minimum of 40 units of their program at the University of Newcastle may apply to undertake cross-institutional study.

(17) Students who have been granted the maximum credit into their program at the University of Newcastle will be ineligible to undertake cross-institutional study.

(18) International students on articulation arrangements will not be permitted to undertake cross-institutional study.

### Application and Assessment

(21) The Program Convenor will assess and determine the outcome of an application for cross-institutional credit.

### Maximum Credit

(22) A maximum of 40 units of cross-institutional credit may be approved in undergraduate or postgraduate programs.

(23) Within undergraduate programs, only 10 units of the 40 unit maximum, may be at the highest level in the program.

(24) The relevant College Pro Vice-Chancellor may approve cross-institutional study exceeding the maximum 10 units at the highest level within the program in circumstances where the student would be significantly disadvantaged.

(25) For combined degree programs a maximum of 10 units at the highest level may be applied to each of the individual program components.

(26) The provisions listed in clauses 22 and 23 do not apply to students seeking credit for Study Abroad or Student Exchange. For provisions relating to credit for Study Abroad and Exchange refer to the [Outbound Global Experience Procedure](#).

### Limitations

## Section 4 - Applications and Supporting Documentation

(29) Credit applications for formal learning must be submitted via the credit management system.

### Supporting Documentation

(30) Applications must include supporting documentation, including official academic transcripts demonstrating completion of the formal learning, and relevant course outlines.

(31) All supporting documentation for applications must be in English or accompanied by an English translation provided by an agency accepted by the Universities Admissions Centre (NSW and ACT) Pty Ltd (UAC).

(32) Applicants must:

- a. ensure the authenticity of any supporting documentation;
- b. retain supporting documentation for six months from application; and
- c. produce the original supporting documentation if requested by the University.

(33) The University may take steps to verify the authenticity of any documentation provided. This may include seeking further information from parties relevant to the supporting documentation.

(34) The supply of false information, false or falsified documentation by a student to the University will result in the rejection of the credit application and/or the rescission of the credit granted. This may result in disciplinary action in accordance with the [Student Conduct Rule](#).

### Assessment

(35) The Program Convenor will assess whether the evidence provided by the student demonstrates that the formal learning achieves the learning outcomes of the course(s) for which credit is sought.

(36) Where applications do not contain sufficient or appropriate evidence to enable the Program Convenor to make a determination, the student may be requested to provide additional documentation. If additional documentation is not provided, the application will be denied.

### Outcomes

(37) Applicants/students will be advised of the application outcome, including any reasons why credit has not been granted.

(38) Where an International applicant/student is granted credit, a new offer of admission that specifies the revised (if shortened) duration of the Confirmation of Enrolment (CoE) will be issued.

(39) Credit outcomes will lapse if the applicant does not accept and enrol in the program within twelve months of the issuance of the credit outcome. Where the outcome has lapsed, the applicant may re-apply for credit, but the outcome of the original approval is not guaranteed.
