Learning

Principles

- (7) Recognition of formal learning must be in accordance with the Credit and Recognition of Prior Learning Policy.
- (8) Applications for recognition of informal learning and non-formal learning will be assessed and will be granted where it is deemed that the student has met all learning outcomes for the course for which credit is sought in a relevant context.
- (9) Multiple experiences and evidence of informal learning or non-formal learning may be assessed in combination to determine if the learning outcomes have been met.
- (10) Where the majority of learning outcomes have been met, the Program Convenor may request additional evidence be provided or may conduct an interview to verify the attainment of the necessary knowledge, understanding and skills.

Section 3 - Applications and Supporting Documentation

- (11) Applications seeking recognition for informal learning and non-formal learning must be made using the [Recognition of Prior Learning Application Form](#) (application).
- (12) All supporting documentation for applications must be in English or accompanied by an English translation provided by an agency accepted by the Universities Admissions Centre (NSW and ACT) Pty Ltd (UAC).
- (13) Applicants must:
- a. ensure the authenticity of any supporting documentation; and
 - b. retain supporting documentation for six months from application;
 - c. produce the original supporting documentation if requested by the University.
- (14) The University may take steps to verify the authenticity of any documentation provided. This may include seeking further information from parties relevant to the supporting documentation.
- (15) The supply of false information, false or falsified documentation by a student to the University will result in the rejection of the application and/or the rescission of the credit granted. This may result in disciplinary action in accordance with the [Student Conduct Rule](#).

Assessment

- (16) The Program Convenor will assess whether the informal learning or non-formal learning achieves the learning outcomes.
- (17) Where applications do not contain sufficient or appropriate evidence to enable the Program Convenor to make a determination, the student may be requested to provide additional documentation. If additional documentation is not provided, the application will be denied.

Outcomes

- (18) Applicants/students will be advised of the application outcome, including any reasons why credit has not been

granted.

(19) Where an International applicant/student is granted credit, a new offer of admission specifying the revised (if shortened) duration of the Confirmation of Enrolment (CoE) will be issued.

(20) Credit outcomes will lapse if the applicant does not accept and enrol in the program within twelve months of the issuance of the application outcome. Where the outcome has lapsed, the applicant may re-apply, but the outcome of the original approval is not guaranteed.
