

Support for Students Policy

Section 1 - Introduction

(1) The University affirms its dedication to ensuring all students are provided with support and resources that assist them to complete their studies.

(2) This policy is published in accordance with the obligations of a self-accrediting organisation, under the [Higher Education Support Act 2003](#) (Cth).

(3) In the event of any inconsistency between this policy and any University Rule, the Rule made by the Council prevails to the extent of the inconsistency.

Section 2 - Purpose

(4) This policy outlines the:

- a. support services available to students to assist them with completing their studies at the University;
- b. University's mechanisms for ensuring that students are aware of relevant support services.

(5) This policy is designed to provide clear guidance to University staff on the support services available to students. The policy is also available as an information source for students and community members.

Section 3 - Scope

(6) This policy applies to all enabling, coursework and higher degree research (HDR) students of the University.

(7) This policy applies to the Joint Medical Program (JMP) delivered in conjunction with the University of New England, and the Bachelor of Podiatric Medicine delivered in conjunction with Western Sydney University. In the event of an inconsistency between this policy and the policies and procedures specific to the JMP or the Bachelor of Podiatric Medicine, then the policies and procedures relating to these specific offerings prevail to the extent of the inconsistency.

Section 4 - Policy Statement

(8) The University is committed to providing ongoing support to students to contribute to the successful completion of their studies and making them aware of the support services available to them.

(9) The University actively monitors student progress and identifies those students at risk of not successfully completing their studies, and will contact students based on the following data:

- a. students who have not logged in to the course site for two weeks;
- b. students who have not submitted an assessment item;
- c. students who have not scored 50% or higher in an assessment.

(10) The University communicates with students identified as at risk of not successfully completing their studies to ensure they are informed about and have access to the support services made available.
