

Rule Listing Awards

Section 1 - Introduction

(1) The awards referred to in these Rules may be conferred on or awarded to candidates who have satisfied the provisions of the Rules, Requirements or Schedules governing the particular award.

(2) The Council, of its own motion or on the recommendation of the Academic Senate may make awards ad eundem gradum or honoris causa to persons who, in the opinion of the Council are eligible for or might properly be honoured by those awards. This policy should be read in conjunction with the Rules Governing Honorary Awards and Exceptional Service Medals.

Section 2 - Scope

(3) The awards listed in Sections 4 to 10 of this Rule have been approved by Council. They are awards that may be or have been awarded by the University.

Section 3 - Display of Abbreviated Qualifications

(4) It is recommended that staff and alumni observe the following conventions and protocols when displaying abbreviated qualifications.

- a. List National Honours before all other qualifications.
For example: AM, BEnvSc(Newcastle)
- b. List the name of the awarding institution in parentheses and italics.
For example: BSPath(Newcastle)
- c. Do not use a space or comma between the name of the degree and the awarding institution.
For example: Degree + Institution = BEd(Newcastle)
- d. Clearly identify when a degree is an honorary award.
For example: Hon DEd(Newcastle)
- e. Place professional qualifications after academic qualifications.
For example: BBus(Newcastle), MAICD
- f. Use a comma after each consecutive degree at the same institution.
For example: BA, MBA(Newcastle)
- g. List lowest to highest qualification with awards from the same institution grouped together.
For example: BA, PhD(OtherInstitAbbrev), BdevStud, GCertEM(Newcastle)
- h. Do not use a space between the final degree and the institution.

 - i. BA(Hons), PhD(OtherInstitAbbrev), BSc(Hons)(Newcastle)
- i. List only the Masters degree if both Bachelors and Masters degrees have been awarded in the same area of study and from the same institution. List both if awarded by different institutions.

i. BA(OtherInstAbbrev) + MA(Newcastle) = BA(OtherInstAbbrev), MA(Newcastle)

j. Do not leave any space between the name of the degree and honours.
